Exploring the Book of Faith—Insights to Understanding the Bible

Ever wondered of new ways to study the bible? Ever wanted to start your own bible study and never really knew how? Maybe you have never even thought about the bible in this light....

This year's spring retreat will challenge ways you think about the bible and encourage you to read it more. Rachel Alley will be our speaker and has a lot planned. This year's cost is \$75, and for more info, email Hans Layman: h.layman@umiami.edu
