Three Meals a Day Still Leave You Hungry?

Feed the Flame.

LSM is a pan-Lutheran organization that is independent from all other rational expressions of the Lutheran church. LSM has always relied on the support of individuals and Lutheran church bodies who respect and value our independent identity.

Providing services to the community is a priority for LSM students. Service opportunities exist on the national, regional and local levels.

- The national service project is coordinated through local community leaders and addresses issues in that area.
- Regional service projects reflect the values of the national project, as well as address concerns of the region.
- LSM strives for a continuous impact of the service project on students, staff, and the community.
- The projects are proof that a group of college students can make a difference.

Diversity

LSM provides an opportunity to meet students from around the world and address issues that are difficult to tackle. LSM is

- Open and welcoming of all people.
- A place to address hard topics openly and safely.
- A place to look at the bigger picture.
- A place to be open and excited about who you are.

Fun

The National Gathering occurs around New Years each year. The location varies from year to year, giving students the opportunity to travel to places across the nation and to meet other students. Programs each year focus on a wide variety of topics and activities:

- Dances and Mixers
- "Hot Topic" workshops and forums
- Chance to exercise leadership skills on a national level
- Address spiritual and social concerns
- Motivating speakers
